

The virtues of Ramadan

salam.I am facing you all and want to deliver a speech about fasting.

Fasting is one of the acts of worship that Muslims must carry out during the month of

Ramadan. The implementation is carried out before sunrise until sunset.Fadilah and priority given to people who fast in the month of Ramadan is Allah's promise. Some of the virtues of fasting as reported by the Messenger of Allah: First, Get a Direct Reply from Allah. Allah says in the hadith qudsi: "The person who fasts gives up eating, drinking and lust because he obeys Allah's commands. Fasting is for me (Allah) and I will give you the reward, while something good is rewarded tenfold." (HR Bukhari).the Second, Entering Heaven Through the Door of Rayyan From Abu Said r.a.: "The Messenger of Allah, peace be upon him, said: "Whoever is among the fasting experts, he will be called from the door of Rayyan." Third, One Day of Fasting Keeps You Away 70 Years from Hell From Abu Said r.a.: "The Messenger of Allah, peace be upon him, said: "There is no servant who fasts for a day with the intention of fisabilillah, namely solely towards obedience to Allah, but Allah will turn away his face, namely himself because "The fast was a seventy year journey from hell," (muttafaq 'alaih).Fourth, forgiven previous sins from Abu Hurairah r.a. that the Prophet said: "Whoever fasts Ramadan because he is motivated by faith and hopes for Allah's pleasure, then his previous sins will be forgiven him," (muttafaq 'alaih). Fifth, there is a blessing in eating sahur. The Messenger of Allah, peace be upon him, said: "Eat sahur, because eating sahur is a blessing," (HR Muslim). Sixth, Always be in goodness while breaking the fast. The Messenger of Allah, peace be upon him, said: "People are always in goodness as long as they hasten to break the fast," (HR Muslim). Hopefully, during fasting we can all get the benefits of fasting during Ramadan. That's all my lecture.The last i say wassalamualaikum wr wb
